## LEAGUE IN U. S. SENATE

Senators Refuse to Ap-  
prove the Request of  
the President.

"NO POWER EXISTS"

That Is Reply Made to  
Wilson as to Repara-  
tions Committee.

WASHINGTON, July 22.—In re-  
sponse to President Wilson's request  
that it approve provisional appoint-  
ment of an American representative  
on the reparations commission, to be  
created under the peace treaty, the  
senate foreign relations committee to-  
day adopted a declaration that until  
the treaty is ratified "no power ex-  
ists" to carry out its provisions.

The declaration, in the form of a  
resolution by Senator Knox, Republi-  
can, Pennsylvania, was adopted with-  
out a record vote though the commit-  
tee previously had divided eight to  
seven in favor of substituting the  
Knox proposal for one which would  
have left open the question of the  
president's authority. In this vote  
Senator McCumber, Republican of  
North Dakota, joined the Democrats in  
the negative.

A motion by Senator Hitchcock,  
Democrat of Nebraska, to add later  
a declaration of the president's power  
to act was lost 9 to 6, Senator Mc-  
Cumber voting with the Republicans.

Senator Knox's resolution follows:  
"That it is the judgment of the com-  
mittee that until the proposed treaty  
is ratified, in accordance with its  
terms, no power exists to execute any  
of its provisions either provisionally  
or otherwise."

Under the treaty the reparations  
commission would have wide powers  
in fixing the reparation to be demand-  
ed of Germany and the president had  
written the committee that he con-  
sidered it important to American busi-  
ness interests that the United States  
be represented.

After it had adopted Senator Knox's  
resolution, the committee resumed its  
preliminary reading of the treaty  
text.

Debate on the treaty in the senate  
was resumed with an address by Sen-  
ator McNary, Republican, Oregon, who  
urged that the league of nations cov-  
enant be accepted without any such  
amendments or reservations as would  
alter the splendid purposes of the  
covenant.

Senator McNary was followed by  
Senator Johnson, Democrat, North  
Dakota, who declared that the United  
States, by refusing to join the league  
of nations, not only would endanger  
its own safety, but would break faith  
with its associates in the war.

"Our commerce extends to the lim-  
its of the entire globe," said Senator  
Johnson. "Have you ever considered  
the position of danger we would be  
in if the great commercial nations en-  
ter this league and we remain aloof?  
Why should we not be regarded with  
envy and suspicion? Our great  
commercial interests, rich lands and  
favored geographical position would  
soon place us in a position of stand-  
ing alone. The time might come when  
there would be a vast combination  
against us to refill their treasuries and  
discharge their debts."

"Opponents of the league have made  
many representations," Senator John-  
son declared. "Are provisions?" he  
said, "are provisions clear and plain,"  
and generally satisfactory, although,  
he added, virtually every one favors  
some changes.

## ALL-NIGHT DEBATE ON PEACE TREATY

**Bill Approving German Treaty  
Passed in House of Com-  
mons 163 to 4 — Lloyd  
George Active.**

LONDON, July 22.—At what was vir-  
tually an all-night session, the house  
of commons completed its considera-  
tion of both the German peace treaty  
and the Anglo-French convention.

The bill carrying approval of the  
German treaty was considered in com-  
mittee of the whole, exciting lengthy  
debate in which Premier Lloyd George  
took an active part. The bill was  
then placed before the house and  
passed its third reading, after a motion  
by John Devlin to reject it as a  
protest against the premier's attitude  
towards Ireland had been defeated by  
163 to 4.

Then at 3 a. m. the Anglo-French  
pact was taken up and the bill approv-  
ing it was adopted after a short, sharp,  
bitter debate during which it was said  
that the treaty was not consistent  
with the spirit of nations and failed  
to find any substantial echo.

The German treaty passed "through  
all its stages without amendment."  
In concluding his speech on the  
treaty, Premier Lloyd George while  
making no claim of perfection for it,  
expressed confidence that any defects  
would be remedied by the league of na-  
tions.

## TALKS ON PEACE TREATY IN SENATE

**Senators Moses, Johnson and  
Beckman to Give Prepared  
Speeches Today.**

WASHINGTON, July 22.—A long  
day of speech-making on the peace  
treaty was before the senate today,  
four senators having given notice that  
they would make prepared addresses.  
Senator McNary, Republican, Oregon,  
who was to speak first in support of  
the league of nations, was to be fol-  
lowed by Senators Moses, Republican,  
New Hampshire, and Johnson, South  
Dakota, and Beckham, Kentucky, Democrats.

Meanwhile the foreign relations com-  
mittee still had before it the request  
of President Wilson that it approve  
immediate appointment of an Ameri-  
can representative on the reparations  
commission to serve provisionally  
while the treaty remains unratified.

## WORLD'S MARKETS

Selling of stocks for both accounts  
was resumed at the opening of today's  
session, although the movement was  
not altogether downward. Declines of  
1 to 3 points among such leaders as  
Crucible Steel, General Motors, Hide  
and Leather preferred and Atlantic-  
Gulf were neutralized by advances  
averaging a point in such diverse is-  
sues as California Petroleum, Great  
Northern Ore, Anaconda, Studebaker  
and Pittsburgh and West Virginia.  
General Cigars and Texas company  
also strengthened, but the general list  
reflected unsettlement during the first  
half hour.

Vigorous rallies set in later, causing  
the short interest to cover hastily. The  
rebound was led by oils and steels,  
motors and their accessories and  
equipments and shippings. Metals,  
food shares and the cheaper rails also  
participated more moderately, the en-  
tire list undergoing a pronounced  
change from its early uncertain  
aspects. The extent of the rally  
ranged from 2 to 7 points, trading be-  
coming more active and broader as the  
market improved. Exchange on London  
was lower, but the money market  
was relatively easy, call loans opening  
at 6 to 6 1/2 per cent.

Trading lapsed at noon, but the rally  
made further progress, especially in  
minor rails, steels, equipments and  
specialties. United States Steel, Bal-  
win Locomotive, American Car, Cen-  
tral Leather, American Woolen, Stude-  
baker, United Cigars and Tobacco  
Products registered extreme gains of  
2 to 4 points.

Eccles Bldg. 169 Main St.  
Ogden Salt Lake

which took place in the value of corn  
today resulted largely from the fact  
that hog prices had again risen to the  
record level, \$23.00 a hundredweight.  
Dry, hot weather tended further to  
stress bullish sentiment. On the  
bulges, however, profit-taking sales in-  
creased, and there was a disposition  
to be cautious in view of the unsettle-  
ment of foreign exchange. Opening  
quotations, which ranged from the  
same as yesterday's finish to 1 1/2  
higher with September \$1.93 to \$1.94  
and December, \$1.63 to \$1.63 1/2, were  
followed by decided gains all around  
and then a general reaction.

Oats were relatively weak because  
of hedging pressure and on account of  
absence of export buying. After open-  
ing 3/4 to 1/2 c up, including September  
at 80 1/2 to 81 c, the market hardened a  
little more, but then receded tempo-  
rarily to below yesterday's finish.

Provisions reflected the strength of  
hogs and corn. Trade, though, was  
light. Short covering was much in evidence  
later, and December delivery ascended  
to about the best price of the season.  
The close was strong to 1 1/2 to  
2 1/2 c net higher, with September  
\$1.94 1/2 to \$1.95 and December \$1.65 1/2  
to \$1.66 1/2.
